Dear Instructor Applicant,

Thank you for your interest in becoming a Volunteer Hunter Education Instructor. It is the policy of the Department of Fish and Game to require basic hunter education certification before applying for instructor certification. A copy of your basic hunter education student certification card must be attached to your completed application form. If you do not have or cannot provide us with a copy of hunter education certification, it will be necessary for you to pass the basic hunter education certification. Please note that NRA certification does not fulfill this requirement.

You will be required to provide a background check called the "*Interested Person Report*", and a "*Fish and Wildlife Violation Report*". Go to the Alaska State Troopers office in your location and obtain a copy of both of these reports. Please be prepared to present two forms of identification: Alaska Drivers License or Alaska I. D. card; plus another form of identification, that shows your signature. A \$20.00 fee will be charged by the Alaska State Troopers office for these printouts. Payment for the background check must be either cash or a check written on a local bank.

Upon meeting all requirements to become a volunteer instructor and satisfactory results of the background check you may submit a receipt to this office for reimbursement of the background check fee.

Enclosed you will find an application form and assurance agreement form. If you have any questions, please call 267-2373.

Please complete these forms and return them along with the background check reports to:
